ARMATURE WORKS - THE GATHERING

ANGELS FOR CHANGE GALA

Change Makers,

Angels for Change (A4C) is excited to announce our 4th Annual Champions for Change Gala on Saturday, September 21st, 2024 at Armature Works in Tampa, Florida! Please sponsor, attend, and invite others to join our signature event as we celebrate our 2024 Change Makers and Warriors while raising funds to continue our mission.

What started as one mom trying to ensure her daughter's life-saving medicine, has become a movement to end drug shortages across the nation. Since 2019, sponsors like you advanced this total systemic shift and propelled our work. This is just the beginning of what is possible when Change Makers are unleashed together.

A4C has achieved many milestones; testifying before congress, engaging with national industry and policy leaders, attending White House meetings, bringing awareness to drug shortages at conferences and in the national news, and fulfilling our most important role advocating for thousands of patients during a record high number of shortages, our work has saved lives! This was all fueled through the support of our gala sponsors and attendees.

We are committed to ending the drug shortage crisis for all patients. We can not reach this mission without you. Please celebrate with us in an evening of food, drinks, desserts, live and silent auction, entertainment, dancing, and more. Stand for change with us!

Warmly,

Laura Bray
Chief Change Maker
